Killer Move Michael Marshall 2011-06-28 “[A] subtle and unnerving story of the little things that can tip the balance of one’s life and send it spiraling into chaos.”

—Publishers Weekly Stephen King called Michael Marshall’s debut novel The Straw Men, “a masterpiece...brilliantly written and scary as hell.” With Killer Move, the acclaimed author of Bad Things and The Intruders demonstrates that he has only gotten better with time. The electrifying story of a man on the fast track to success who finds that his life has been chillingly “modified” by someone, somewhere with a very different master plan for his future, Killer Move is a remarkably intelligent, genuinely creepy thriller from Phillip K. Dick Award-winner Marshall.

Sacred Wrath Kristie Cook 2020-07-24 The world is on the brink of war, the enemy have increased their attacks on humans, and my team and I have been assigned the mission of building the Angels' army on Earth. However, the unthinkable happens, and my biggest fear comes true. Nothing will stop me from recovering what is mine. Except everything and everyone tries.Suspicious humans have set traps to ensnare the supernatural. The world powers have closed their borders as they prepare for war. The Demons' army grows exponentially by taking innocent souls-souls that we're supposed to protect. And a power-hungry sorceress schemes to rule us all, with revenge on my grandmother topping her priority list. I'm forced to choose between those I love dearly and the souls of all of humanity, but when there's no right answer, I'm destined to lose. The question is-who will it be?

The Devil May Dance Jake Tapper 2021-05-11 Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller The Hellfire Club—an "excellent" cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to The Hellfire Club.

The Iron Hunt Marjorie M. Liu 2008-06-24 First in a stunning new urban fantasy series from an author who “NEVER CEASES TO AMAZE.” (BOOKLIST, STARRED REVIEW) Demon hunter Maxine Kiss wears her armor as tattoos, which unwind from her body to take on forms of their own at night. They stand between her and her enemies, just as Maxine stands between humanity and the demons breaking out from behind the prison veils. It is a life lacking in love, reveling in death, until one moment—and one man— changes everything.

The Revenue Growth Habit Alex Goldfayn 2015-07-07 800-CEO-Read Sales Book Of The Year for 2015 | Forbes 15 Best Business Books of 2015 | “The chapters, (46 of them in this 256 page book) are quick and concise, and it is easy to pick it up anywhere and find a nugget of easily actionable advice, but the kicker is that the actions he recommends are also quick and concise, so that we can accomplish them in the few bursts of spare time we all have left.” – 800CEOread.com “Follow Goldfayn's brilliant advice and you will have an endless supply of customer testimonials, spontaneous referrals, and new business, and it will compel you to buy a beautiful fountain pen and stop obsessing over social media. lack the funds to jumpstart an effective marketing plan? The Revenue Growth Habit gives business owners, leaders, and all customer facing staff a hands-on resource for increasing revenue that is fast, easy, and requires no financial investment. Alex Goldfayn, CEO of the Evangelist Marketing Institute, shows how to grow your organization by 15% or more in 15 minutes or less per day—without spending a penny of your money. Forget about relying on social media. Posting on Twitter, Facebook, and LinkedIn doesn't grow revenue, especially for business-to-business companies. The Revenue Growth Habit shows how to request and collect testimonials and how to communicate these testimonials to grow your business. You will discover how to write powerful case studies, ask for (and get!) referrals, grow your lists, and send a revenue-growing newsletter. Goldfayn also includes information for teaching your customer service people how to inform your current clients about what else they can buy from you. This proven approach revolves around letting your customers tell your story. There is nothing you can say about your products and services that is more effective than what your paying customers say. How does it work? Each day, take one quick, proactive communication action that tells someone about how they'll be improved after buying from you. Choose from the 22 actions Goldfayn details in The Revenue Growth Habit. Each technique is fast, simple, and free. It only requires your personal effort to communicate the value of your product or service to someone who can buy from you. Personal communication—the key to the 22 action steps—will make your company stand head-and-shoulders above the competition.

Shut Up, Stop Whining, and Get a Life Larry Winget 2011-07-08 Shut Up, Stop Whining, and Get a Life was immediately hailed as "not your average self-help book" and demanded attention and praise right out of the gate. It is now considered one of the icons of the personal development movement. Now, Larry Winget is back with his signature caustic, no-nonsense, hilarious style, which earned him the titles "Pitbull of Personal Development®" and "World's Only Irritational Speaker®." Winget's "get off your butt and go to work" approach to self-improvement boils success down to a simple formula: Everything in your life gets better when you get better. Get tangible advice from one of the world's most successful speakers and the author of five bestselling books and television personality. Learn the keys to turning your life, money and business around. Stop making excuses, stop blaming others and take responsibility for your life and your results The brutal advice he offers has changed the lives of millions of people and increased sales for countless businesses. In this Second Edition of Shut Up, Stop Whining, and Get a Life, Winget takes the same principles and expands the lessons with brand new examples, stories, and added wisdom. It may sound ruthless, but your life is your own fault and if you shut up, stop whining, and take action you can create a better life.

Acura/Honda Automotive Transmission Troubleshooter and Reference Mandy Concepcion 2011-10 Acura/Honda Automotive Transmission Troubleshooter and Reference A reference and pictorial guide for automotive transmissions (Including all major Acura and Honda Model Transmissions) By MANDY CONCEPCION The beginnings of this book came about after the development of the "Transmission Troubleshooter" software package, which eventually became part of the "TransDoctor" PC based diagnostic equipment. Both of these related products, although meant for the professional side of the industry, left behind a huge arsenal of data that matched perfectly with the needs of the average consumer, DIY and mechanic aficionado. We assumed that his information, so far as the general public was concerned, did not necessitated to be part of a broad software package and therefore could be offered at a lower cost to the people. This book covers automotive Transmission diagnostics and electronic repair for domestic vehicles. The information was amassed during years of field work and research in the automotive industry. For this reason, the information is presented in a direct, hands on approach and skips the basic operation of automotive transmissions. If you're trying to discern the basics of automotive automatic transmissions, then there are other works that could help you do that. This book is meant to be used during real-life repair situations and it exposes you to exactly what you need to know to solve or get an in-depth knowledge of a specific problem. Various concepts are covered such as Transmission DTCs or trouble codes, Transmission ID, shift solenoid locations, component locations, electrical and wiring diagrams and finally measurement values for voltage and resistance. We hope you enjoy reading this work to gain knowledge and solve specific problem. So, without further ado, enjoy... The One Minute Negotiator Don Hutson 2010-08-30 By the coauthor of the #1 Wall Street Journal and New York Times bestseller The One Minute Entrepreneur Offers a simple, straightforward, and proven approach to negotiating anything Written in the popular and accessible "business fable" format Negotiation impacts every aspect of our lives, from the deals we strike on the job to our relationships with family members and neighbors, to the transactions we make as customers. Yet most people do anything they can to avoid negotiation -- it makes them uncomfortable, nervous, even frightened. This plague of "negotiaphobia" is that The One Minute Negotiator will remedy. Don Hutson and George Lucas use an engaging business parable to tell the story of a high-level sales professional who learns to master a simple yet profound approach to negotiations. Jay Baxter sells more than anyone else in his company, but his profit margins are slim. Instead of negotiating the best deal for the company, he's giving too much away to get the sale. On a company-sponsored cruise he meets the One Minute Negotiator, who teaches him a three-step negotiating process that can be applied to any situation: closing a deal to get your product in a big-box retail store, getting the best loaner car while your car is in the shop, seeking a fair solution after a hotel messes up your reservation, settling on the price for your new home -- in short, any transaction. The key is flexibility. Most books on negotiation preach one of two gospels: thou shalt collaborate or thou shalt compete. Either everybody works together toward a common goal or the process is basically adversarial. The problem is no two negotiations are alike -- one strategy cannot fit all. The One Minute Negotiator teaches you four potential strategies and shows how to choose the one best suited to the situation, your own inclinations, and the strategy being used by the other side. Besides the obvious benefits, conquering negotiaphobia will reduce your stress level. You'll never walk away thinking about what you should have asked for or might have gotten. Instead, with tools Hutson and Lucas provide you can confidently and consistently guide any negotiation to the best possible conclusion.

American Cars, 1946-1959 J. "Kelly" Flory, Jr. 2009-12-11 From the resumption of automobile production at the close of World War II through the 1950s, the American auto industry would see the births and deaths of several manufacturers, great technological advances, and an era of dramatic styling as a prospering nation asserted its growing mobility. Cars of this period are among the most iconic vehicles ever built in the United States: the 1949 Ford, the remarkable Studebaker designs of 1950 and 1953, the 1955–1957 Chevrolets, the “Forward Look” Chrysler products, the ill-fated Edsel and many others. This comprehensive reference book details every model from each of the major manufacturers (including independents such as Kaiser-Frazer and Crosley but excluding very low-volume marques such as Tucker) from model years 1946 through 1959. Year by year, it provides an overview of the industry and market, followed by an individual report on each company: its main news for the year (introductions or cancellations of models, new engines and transmissions, advertising themes, sales trends etc.); its production figures and market status; and its powertrain offerings, paint colors and major options. The company's models are then detailed individually with such information as body styles, prices, dimensions and weights, standard equipment and production figures. Nearly 1,000 photographs are included.

Project X Audrey Andujar Wright 2015-08-03 This compilation of poems is rolled out as one long poem which spans the journey of the spiritual growth of an adulterous woman in a nation spinning, while facing unspeakable adversity with grace and love. It also deals with individual spiritual growth and transferring love from a man to God, and also with National Politics in the USA and the threat of ISIS. It is not only poetry, but also draws influence from "Spoken Word" traditions. In the Afterword you will find a treasure of a Christian Testimony in the form of another Poem by Jamie Wyatt."Dearest friends, for a long time I was in a place where my exterior circumstances controlled me internally, and I was miserable, not only because it wasn't I who had control, but also because those external circumstances were being imposed against my will, and like everyone else, I blamed it on our President (reminds me of Pink's song, "Mr. President," which was for a different Administration). Eventually, I started opening my mind to the possibility that if the good Lord had permitted so and so to happen, despite intercessory prayer, there was a reason for it and it was His Will. I still didn't like it; so, He opened up the heavens and showed me a little piece of His masterpiece here on earth- He let me see the grid and aliens and bad stuff too: I see ISIS for who they are. Then I realized, I'm just a little spec of sand on the map of time, in one universe, and if I could do some good to at least one other little spec of sand or two - that would probably be enough, and if there was some way the good Lord could use even my suffering and frustration, He would use it for at least my own benefit and someone else's. God is great and nothing is wasted! So no matter what you're going through, know that God will somehow turn it to good in due time. Relish the fight! But love will get you peace. Blessings, hugs and warm thoughts to you and yours! God bless us and God bless the USA!" -Audrey Andujar WrightSample Poems:http://www.audreyandujarwright.comhttp://www.theheal.info

For My Donor Mark Robert Watson 2014-10-29 Have you ever wondered what it would be like to have a heart transplant? Would you still be the same person as before or would you become more like the donor that gave you your new heart? For My Donor follows one patient's journey to understand if they have taken on any of the characteristics of their organ donor, and to finally meet the family that gave the 'gift of life'. Over the course of a year, Mark investigates some of the stories that seem to suggest that transplanted organs can really store memories, a theory called 'cellular memory'. Slowly becoming more and more obsessed by his own donor, life starts to become more of a struggle until the final, emotional meeting with a family is played out. Does 'cellular memory' really exist and what does it mean for organ transplantation? For My Donor reveals all.

Cliff Ruggles 2015-07-15 Although not quite the stout heavy-duty performer as its big brother, the Turbo 400, the Turbo 350

transmission is a fine, durable, capable, and when modified, stout performer in its own right. Millions of GM cars and trucks have been built with Turbo 350 automatic transmissions. There always comes a time when the old transmission shows signs of wear. At some point, even the best transmissions need to be rebuilt. In GM Turbo 350 Transmissions: How to Rebuild & Modify, respected automotive technical author Cliff Ruggles guides you through the complex rebuild procedure of GM's popular rear-wheel-drive automatic transmission. With his proven style, Ruggles goes through the step-by-step rebuild and performance upgrade procedures in a series of full-color photos. He includes instruction on removal and installation, tear-down procedures, parts inspection and replacement, as well as performance mods and shift kit installation. Time-saving tips are part of every buildup as well. Automatic transmissions are a mystery to most. Even if you end up deciding to have a professional take care of your transmission repair and performance needs, the information contained in this book is crucial to understanding how the power gets from the engine to the road. Evangelist Marketing Alex L. Goldfayn 2012-01-03 In Evangelist Marketing, Alex Goldfayn argues that technology companies succeed in spite of their marketing, not because of it. He says that if consumer tech makers ceased all marketing activity today, they would not see a significant decline in sales. In this book, Alex presents why the current state of overly-technical, features-oriented tech marketing, branding, communications and public relations is costing the industry billions of dollars—easy money that's voluntarily being left on the table. Then he lays out a step-by-step system for creating intensely loyal brand evangelists based on deep consumer insights and simple, emotional language. Evangelist Marketing is written for consumer tech companies big and small—from PC manufacturers to Web-based services. It's also sure to improve the work of their marketing and public relations agencies.
