Scent Of Obsession Shanen Ricci 2022-01-05 I was the woman who believed in fairy tales; he was the monster of them. The Devil of Ravencliff Manor. The Phantom. Radcliff. Escorted by a prince, my obsession led me to the villain's lair, with no hope for rescue. Trapped inside his greenhouse, our once upon a time began with a flower. More accurately, with a scent that captivated me. I signed my soul over to the man who represented my sinister nightmares. The one known to belong to the cruel shadows, who offered me my perfumer's dream. He demanded the impossible: the missing piece of his kingdom of sins. I stalked the impossible: his humanity. This is our dark tale. When beauty met ugliness. When light met darkness. When heaven met hell. A tale of obsession.

Classic Set Theory D.C. Goldrei 2017-09-06 Designed for undergraduate students of set theory, Classic Set Theory presents a modern perspective of the classic work of Georg Cantor and Richard Dedekind and their immediate successors. This includes: The definition of the real numbers in terms of rational numbers and ultimately in terms of natural numbers Defining natural numbers in terms of sets The potential paradoxes in set theory The Zermelo-Fraenkel axioms for set theory The axiom of choice The arithmetic of ordered sets Cantor's two sorts of transfinite number - cardinals and ordinals - and the arithmetic of these. The book is designed for students studying on their own, without access to lecturers and other reading, along the lines of the internationally

renowned courses produced by the Open University. Reconstructing Social Justice Laretta Conklin Frederking 2013-11-12 The rhetoric of social justice is commonplace but increasingly it means little more than a tag line or a punctuation point. Reconstructing Social

Justice presents a new framework for social justice that will change the way people think about social justice and change the way people implement social justice. This book carves out an intellectual and practical space for social justice that is distinct from political, legal, and economic spheres. While emphasizing a distinct domain for social justice, the author then makes sense of its healing role in terms of the polity, economy, technology, and religion. Drawing from a rich supply of classroom experiences, her research on mosque controversies after September 11, 2001, and then the global examples of truth and reconciliation commissions, Frederking invites the reader to think about the relevance of social justice from the micro to the macro level. Rather than a set of policy outcomes or ideological positions, social justice is a process of social accountability that demands honest and transparent engagement. While disagreement is likely and controversy inevitable, this social justice process reaffirms our connectedness and moves us forward as a collective.

Torn Trousers: A True Story of Courage and Adventure: How A Couple Sacrificed Everything To Escape to Paradise

Andrew St Pierre White 2015-02-20 What could possibly go wrong in paradise? Tired of mortgage payments, thirty-something Andrew and Gwynn sold nearly everything they owned but their Siamese cat and escaped their humdrum nine-to-five existence for life in paradise—a tiny island in one of the remotest spots on Earth: the Okavango Delta in Botswana. Woefully inexperienced, they took control of a luxury game lodge that catered to the likes of French aristocrats, Hollywood directors, Mafia lawyers, and the captain of the England cricket team. Not forgetting the hippos who liked to crash cocktail hour. Trouble soon followed as the reality of running a hotel on an island accessible only by boat or plane burst upon them. Andrew and Gwynn learned it's one thing for guests to wake up with gentle giraffes outside their windows, but it's quite another to keep them safe from poisonous snakes, temperamental elephants, and a hyena with a taste for plastic. All that was child's play compared to figuring out how to feed their guests when a 'quick run' to the grocery store required a plane, a bush pilot, and moderate risk to life, limb, and property. By turns funny, touching, and suspenseful, Torn Trousers is a real modern fairytale about getting exactly what you wished for...and then having to live with it. Geometric Analysis of the Bergman Kernel and Metric Steven G. Krantz 2013-09-20 This text provides a masterful and systematic treatment of all the basic analytic and geometric aspects of Bergman's classic theory of the kernel and its invariance properties. These include calculation, invariance properties, boundary asymptotics, and asymptotic expansion of the Bergman kernel and metric. Moreover, it presents a unique compendium of results with applications to function theory, geometry, partial differential

equations, and interpretations in the language of functional analysis, with emphasis on the several complex variables context. Several of these topics appear here for the first time in book form. Each chapter includes illustrative examples and a collection of exercises which will be of interest to both graduate students and experienced mathematicians. Graduate students who have taken courses in complex variables and have a basic background in real and functional analysis will find this textbook appealing. Applicable courses for either main or supplementary usage include those in complex variables, several complex variables, complex differential geometry, and partial differential equations. All the Secrets Charlotte Byrd 2020-11-17 The only way he'll agree to the story about the great and reclusive writer, D. B. Carter is if I agree to spend the week with him. He thinks that the reason that I left is that I don't want him. Nothing could be from the truth. He thinks I was insulted. He's wrong. I have a fire in my body that burns just for him. Still, I leave. He shouldn't have asked for something like that. All that it did was push me away. But I have to write this story to save my job. It won't be published for a while and I'll have time to convince him to go on the record. At least, that's what I think. But then the article comes out and he shows up at my house. He's angry. I'm mad. What happens when that fire between us starts to ignite? What happens when he pulls me close and doesn't let go? Praise for Charlotte Byrd "BEST AUTHOR YET! Charlotte has done it again! Wrenched Emma James 2015-08-26 Whisper I was stolen as an infant and raised by my master, William Dupre'. For twenty years I was hidden inside a plantation home on the outskirts of Connard, Louisiana. Stupidity killed William giving me my chance for freedom. But where do I go when I have only known the walls of his home? When I have no friends and have never made contact with another

person, other than my master and mistress. I am a secret. The outside world was only known to me through the movies I was granted access to. I've only ever had contact with one man who treated me as his pet to do as he wished. I chose to run without looking back. I stole into the night on a wing and a prayer with my book, a handful of bills and my rag doll, Jenny and a head full of hope. I had to believe all of humanity was not like William and I was right. But then I had to go and let my guard down one evening giving myself over like some sex starved fool, to the tattooed man who had strolled into the bar I was working at. I was a coo yon, a stupid girl. Miss Catherine I had felt it in my bones that somethin' was goin' to be comin'. I didn't know when, but dem bones of mine never lied to me. They always gave me a warnin', a feelin' in dem that left me to work the rest out for myself. I hadn't had such a strong feelin' seepin' into them in a long time. There was nothin' much to be done but sit here in front of my comforting fire in my cozy livin' room with my crochet until I be called upon. Sara We talk. I lie a lot because I need to keep my identity a secret. I can't let that personal information out. I lie about my name, because I gave my real name to a stranger today, and now I'm saddled with a damning letter. Tonight I will be Sara, and she will help me move forward. I'm handing her the reins. Edge I've had too much fucking time to think about my past on the ride to Louisiana. I had blocked out that part of my life, even though it helped to shape the person I am now. I'm ruthless. I don't give second chances. I get the job done. Conscience plays no part in my world. You f*ck me or the club over, you are done for. I'm indeed a soulless bastard through and through. I'm grateful I was taken from my father, or God only knows what would have

become of me. Would I even be alive? They say blood is thicker than water. Well, that is debatable. Boxer She has no reason to trust me, especially since I'm a man. I have to keep reminding myself I'm the only other man she

has met in her entire life and I'm asking her to believe my words when she has no good reason to. Jonathan Boothe I really should get out of Dodge, but this is gonna be too good to miss. The maestro has conducted his last song. What could possibly go wrong?
