Pre-Incident Indicators of Terrorist Incidents

Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the

temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Little Women Gift Pack - Lined Notebook and Novel Louisa May Alcott 2021-02-23 This gift pack contains both the hardcover classic novel and a matching ruled hardcover notebook in a one quarter slipcase. Bringing one of the world's most beautiful editions of the classic novel, Little Women by Louisa May Alcott, and a lined writing journal with a matching cover, in one beautifully presented gift package. Little Women was, and remains, Alcott's best-known and most widely read work. It was her first novel and was so popular that her audience demanded sequels, a request that Alcott fulfilled, although most readers believe that Little Women is the most compelling of Alcott's novels about the March family. Little Women is a well-told story that features suspense, humour, and engaging characters, as well as lessons about the

importance of honesty, hard work, true love, and family unity. Brilliant in its portrayal of nineteenth-century American family life, the novel depicts a secure, placid world in which the home serves as the centre for children's religious and moral education. The novel opens, with the four girls--the oldest, Meg (sixteen), tomboyish Jo (fifteen), sweet Beth (thirteen), and the youngest, Amy (twelve)--are sitting around the hearth contemplating a Christmas without presents, for their father is away serving as chaplain for a unit of men fighting in the Civil War, and the family has very limited funds. From this opening dialogue, a reader gets insights into the basic personality types of the various characters. Meg feels most strongly the family's limited resources. It is she who struggles hardest with envy of the wealthier girls in town. Jo is the most spirited of the lot, physically the most active and psychologically the most independent; she nevertheless is most comfortable when she is safely ensconced within the family circle of

Marmee (the girls' nickname for their mother) and the four girls. Beth is the sweetest and most generous of the girls, the one who complains least and tries hardest to ease the difficulties of the others. She is the character whom some readers think is really too good to be true. As might be expected, she dies an early death, as if she is too good for this world. The youngest, Amy, has rather grand visions of herself but these are tempered as she tests her artistic skills abroad and eventually marries the boy next door. In Alcott's novel, the family--as the most important of social units--gives its members strength to overcome life's obstacles and teaches them the value of selflessness. Mrs. March, in particular, exemplifies the courage and perseverance necessary to hold the family together through war and death. Although the novel ends happily, it in many ways marks a departure from simplistic, romantic nineteenth century fiction for young adults. Alcott's characters change in response to serious life-

events; their positive but realistic attitudes inspire readers to identify their own strengths in the face of pain and adversity. Chiltern creates the most beautiful editions of the World's finest literature. Your favourite classic titles in a way you have never seen them before: the tactile layers, fine details and beautiful colors of these remarkable covers make these books feel extra special and look striking on any shelf.

The Glass Castle Jeannette Walls 2006-01-02
Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet

Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Louis Vuitton Travel Book 'Venice' Taniguchi Jiro
2017-08-14 Chosen by Louis Vuitton to be one of only a handful of artists to illustrate their new Travel Book series, Taniguchi naturally made a story of it! After his mother's death aged 78, the author discovers a beautifully lacquered box which contains what appear to be old photos and hand-drawn postcards of Venice. One photo of Piazza San Marco particularly catches his eye. It is of a Japanese couple feeding a multitude of pigeons in the square dressed in what looked like 1930's styled clothes. Who were they? What relevance did they have for his mother? Armed with the contents of the lacquered box he travels to Venice to track down the places and events displayed in the images and to discover the identity of the young couple in the old photograph. With very few but well chosen words and his artist's eye for detail, Taniguchi portrays 'La Serenissima' of today in a most deserving light.
