Think Like a Monk Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And

much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give

the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Sing Backwards and Weep Mark Lanegan 2020-04-28 This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a

homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*
