40 Sonnets Don Paterson 2017-05-02 This collection, which won the 2015 Costa Poetry Award, is an exhibition of the Dundee-born poet's stunningly accomplished adoption of the sonnet's ancient structure This collection from Don Paterson, his first since the Forward Prize-winningRain in 2009, is a series of forty luminous sonnets. Some take a traditional form, while others experiment with the reader's conception of the sonnet, but they all share the lyrical intelligence and musical gift that has made Paterson one of our most celebrated poets. Addressed to friends and enemies, the living and the dead, children, musicians, poets, and dogs, these poems are as ambitious in their scope and tonal range as in the breadth of their concerns. Here, voices call home from the blackout and the airlock, the storm cave and the s�ance, the coal shed, the war, the highway, the forest, and the sea. These are voices frustrated by distance and darkness, which ring with the "sound that fades up from the hiss, / like a glass some random downdraughthad set ringing, / now full of its only note, its lonely call." In40 Sonnets, Paterson returns to some of his central themes—contradiction and strangeness, tension and transformation, the dream world, and the divided self—in some of the most powerful and formally assured poems of his career.

Christian Wiman 2017-11-07 One hundred of the most evocative modern poems on joy, selected by an award-winning contemporary poet "Bursting with energy and surprising locutions. . . . Even the most familiar poets seem somehow new within the context of Joy."--David Skeel, Wall Street Journal "Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary."--Adrianna Smith, The Atlantic Christian Wiman, a poet known for his meditations on mortality, has long been fascinated by joy and by its relative absence in modern literature. Why is joy so resistant to language? How has it become so suspect in our times? Manipulated by advertisers, religious leaders, and politicians, joy can seem disquieting, even offensive. How does one speak of joy amid such ubiquitous injustice and suffering in the world? In this revelatory anthology, Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life. Rather than define joy for readers, he wants them to experience it. Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry, he brings together diverse and provocative works as a kind of counter to the old, modernist maxim "light writes white"--no agony, no art. His rich selections awaken us to the essential role joy plays in human life.

Eastern Inferno Christine Alexander 2010-11-30 "Remarkable personal journals . . revealing the combat experience of the German-Russian War as seldom seen before . . . a harrowing yet poignant story" (Military Times). Hans Roth was a member of the anti-tank panzerjager battalion, 299th Infantry Division, attached to the Sixth Army, as the invasion of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the primitive vastness of the East. During the Kiev encirclement, Roth's unit was under constant attack as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally been beaten, a friend serving with the SS led him to a site—possibly Babi Yar—where he witnessed civilians being massacred. After suffering through a brutal winter against apparently endless Russian reserves, his division went on the offensive again when the Germans drove toward Stalingrad. In these journals, attacks and counterattacks are described in you-are-there detail. Roth wrote privately, as if to keep himself sane, knowing his honest accounts of the horrors in the East could never pass Wehrmacht censors. When the Soviet counteroffensive of winter 1942 begins, his unit is stationed alongside the Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth's three journals were discovered many years after his disappearance, tucked away in the home of his brother. After his brother's death, his family discovered them and sent them to Rosel, Roth's wife. In time, Rosel handed down the journals to Erika, Roth's only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia.

Evangelist Marketing Alex L. Goldfayn 2012-01-03 In Evangelist Marketing, Alex Goldfayn argues that technology companies succeed in spite of their marketing, not because of it. He says that if consumer tech makers ceased all marketing activity today, they would not see a significant decline in sales. In this book, Alex presents why the current state of overly-technical, features-oriented tech marketing, branding, communications and public relations is costing the industry billions of dollars—easy money that's voluntarily being left on the table. Then he lays out a step-by-step system for creating intensely loyal brand evangelists based on deep consumer insights and simple, emotional language. Evangelist Marketing is written for consumer tech companies big and small—from PC manufacturers to Web-based services. It's also sure to improve the work of their marketing and public relations agencies.
