American Girls Alison Umminger 2016-06-07 A bittersweet, honest, and widely acclaimed YA coming-of-age novel that distills honest truths about American girlhood Anna is a fifteen-year-old girl slouching toward adulthood, and she's had it with her life at home. So Anna "borrows" her stepmom's credit card and runs away to Los Angeles, where her half-sister takes her in. But LA isn't quite the glamorous escape Anna had imagined. As Anna spends her days on TV and movie sets, she engrosses herself in a project researching the murderous Manson girls—and although the violence in her own life isn't the kind that leaves physical scars, she begins to notice the parallels between herself and the lost girls of LA, and of America, past and present. In Anna's singular voice, we glimpse not only a picture of life on the B-list in LA, but also a clear-eyed reflection on being young, vulnerable, lost, and female in America—in short, on the B-list of life. Alison Umminger writes about girls, violence, and which people society deems worthy of caring about, which ones it doesn't, in a way not often seen in teen fiction. **American Girls** is: An ALA Booklist Top 10 First Novel A Kirkus Best Book of the Year A Barnes & Noble Best YA Book of the Year A Chicago Public Library Best of the Best of 2016 A Bustle Best YA Book of the Year YALSA's Best Fiction for Young Adults "Messy, honest, and unflinchingly real. Kiss Me on the Inside Janice Burkett 2014-01-01 Vibrant, beautiful, and outspoken, Keisha will stop at nothing to get what she wants, even if it means stepping over boundaries and betraying friendships. Prada, Gucci, D&G, and Louis V. are the only friends she needs. Her roommate, Nikki, finds out the hard way when she decides to pursue an education instead of hustling men for money. Keisha's motto is "It's all about me," and she takes offense at Nikki's decision. No one is supposed to outshine Keisha, so she orchestrates a vicious plan to derail Nikki's dream at any cost. Leaving her friendship in the dirt, Keisha doesn't hesitate to accept when her uncle approaches her with a job offer. He wants her to get a few artists to sign to his label, Top Dot Records. The art of seduction is something she has perfected, and with her beauty, she can hypnotize anyone into being her boy toy. She believes she's on the verge of a huge payday. Little does she know that she will have to work extra hard to get Bling to sign. He's a newlywed who is very much in love with his wife. His marriage means nothing to Keisha, and she will get him to sign a contract one way or another. Keisha takes the game a little too far when she decides to date two artists at the same time. To her it's all fun and games, but it soon becomes one of the biggest mistakes that could turn her comfortable, posh life into a war zone that might end up taking friends and family to the grave.

Murder by the Book Lauren Elliott 2018-10-30 Addie Greyborne loved working with rare books at the Boston Public Library—she even got to play detective, tracking down clues about mysterious old volumes. But she didn't expect her sleuthing skills to come in so handy in a little seaside town . . . Addie left some painful memories behind in the big city, including the unsolved murder of her fiancé and her father's fatal car accident. After an unexpected inheritance from a great aunt, she's moved to a small New England town founded by her ancestors back in colonial times—and living in spacious Greyborne Manor, on a hilltop overlooking the harbor. Best of all, her aunt also left her countless first editions and other treasures—providing an inventory to start her own store. But there's trouble from day one, and not just from the grumpy woman who runs the bakery next door. A car nearly runs Addie down. Someone steals a copy of *Alice in Wonderland*. Then, Addie's friend Serena, who owns a nearby tea shop, is arrested—for killing another local merchant. The police seem pretty sure they've got the story in hand, but Addie's not going to let them close the book on this case without a fight . . .

Four-Season Harvest Eliot Coleman 2012-02-28 If you love the joys of eating home-garden vegetables but always thought those joys had to stop at the end of summer, this book is for you. Eliot Coleman introduces the surprising fact that most of the United States has more winter sunshine than the south of France. He shows how North American gardeners can successfully use that sun to raise a wide variety of traditional winter vegetables in backyard cold frames and plastic covered tunnel greenhouses without supplementary heat. Coleman expands upon his own experiences with new ideas learned on a winter-vegetable pilgrimage across the ocean to the acknowledged kingdom of vegetable cuisine, the southern part of France, which lies on the 44th parallel, the same latitude as his farm in Maine. This story of sunshine, weather patterns, old limitations and expectations, and new realities is delightfully innovative in the best gardening tradition. *Four-Season Harvest* will have you feasting on fresh produce from your garden all through the winter. To learn more about the possibility of a four-season farm, please visit Coleman's website www.fourseasonfarm.com.

The Cook's Illustrated Meat Book Cook's Illustrated 2014-10-01 Eminently practical and truly trustworthy, *The Cook's Illustrated Meat Book* is the only resource you'll need for great results every time you cook meat. Whether you have burgers, steak, ribs, or roast chicken on the menu shopping for and cooking meat can be confusing, and mistakes can be costly. After 20-plus years of purchasing and cooking beef, pork, lamb, veal, chicken, and turkey, the editors of *Cook's Illustrated* understand that preparing meat doesn't start at the stove it starts at the store. *The Cook's Illustrated Meat Book* begins with a 27-page master class in meat cookery, which covers shopping (what's the difference between natural and organic labels?), storing (just how long should you really refrigerate meat and does the duration vary if the meat is cooked or raw?), and seasoning meat (marinating, salting, and brining). Matching cut to cooking method is another key to success, so our guide includes fully illustrated pages devoted to all of the major cooking methods: sautéing, pan-searing, pan-roasting, roasting, grilling, barbecuing, and more. We identify the best cuts for these methods and explain point by point how and why you should follow our steps and what may happen if you don't. 425 Bulletproof and rigorously tested recipes for beef, pork, lamb, veal, and poultry provide plenty of options for everyday meals and special occasion dinners

and you'll learn new and better ways to cook favorites such as Pan-Seared Thick-Cut Steak, Juicy Pub-Style Burgers, Weeknight Roast Chicken, Barbecued Pulled Pork, and more. *The Cook's Illustrated Meat Book* also includes equipment recommendations (what should you look for in a good roasting pan and is it worth spending extra bucks on a pricey nonstick skillet?). In addition, hundreds of step-by-step illustrations guide you through our core techniques so whether you're slicing a chicken breast into cutlets or getting ready to carve prime rib the *Cook's Illustrated Meat Book* covers all the bases

Literary Mama Andrea J. Buchanan 2009-11-10 Becoming a mother takes more than the physical act of giving birth or completing an adoption: it takes birthing oneself as a mother through psychological, intellectual, and spiritual work that continues throughout life. Yet most women's stories of personal growth after motherhood tend to remain untold. As writers and mothers, Andrea Buchanan and Amy Hudock were frustrated by what they perceived as a lack of writing by mothers that captured the ambiguity, complexity, and humor of their experiences. So they decided to create the place they wanted to find, with the kind of writing they wanted to read. This unique collection features the best of the online magazine literarymama.com, a site devoted to mama-centric writing with fresh voices, superior craft, and vivid imagery. While the majority of literature on parenting is not literary or is not written by mothers, this book is both. Including creative nonfiction, fiction, and poetry, *Literary Mama* celebrates the voices of the maternally inclined, paves the way for other writer mamas, and honors the difficult and rewarding work women do as they move into motherhood.

The Big Chili Julia Buckley 2015-10-06 First in a delicious new mystery series filled with casseroles, confidences, and killers... Lilah Drake's Covered Dish business discreetly provides the residents of Pine Haven, Illinois, with delicious, fresh-cooked meals they can claim they cooked themselves. But when one of her clandestine concoctions is used to poison a local woman, Lilah finds herself in a pot-load of trouble... After dreaming for years of owning her own catering company, Lilah has made a start into the food world through her Covered Dish business, covertly cooking for her neighbors who don't have the time or skill to do so themselves, and allowing them to claim her culinary creations as their own. While her clientele is strong, their continued happiness depends on no one finding out who's really behind the apron. So when someone drops dead at a church Bingo night moments after eating chili that Lilah made for a client, the anonymous chef finds herself getting stirred into a cauldron of secrets, lies, and murder—and going toe to toe with a very determined and very attractive detective. To keep her clients coming back and her business under wraps, Lilah will have to chop down the list of suspects fast, because this spicy killer has acquired a taste for homicide...

Last Bite Nancy Verde Barr 2012-07-31 After ending a bad relationship, Casey Costello, an executive chef at a morning television show, swears off men. Who has the time anyway? She's busy overseeing a rambunctious food-prep crew in a kitchen the size of a closet; trying to please high-maintenance celebrity guest chefs; and dealing with her large extended Italian American family,

who believe that the solutions to life's problems involve food. And in the midst of her high-energy, stress-inducing career punctuated by a steady stream of parties and restaurant openings that must not be missed she's trying to uncover why Sally Woods, a grand old dame of the culinary world and regular on the television show, is suddenly ready to jump ship and find a new station and a new executive chef. When Danny O'Shea, a handsome chef from one of New York's hottest new restaurants, makes a guest appearance on the show, Casey smells trouble. But feelings ignite faster than a flambé dessert, especially when Danny whips up a few surprises during a television shoot in Italy. Narrated in Casey's smart and refreshingly disarming voice, *Last Bite* is an irresistible culinary caper, with characters whose appetites are as big as their personalities.

Ready To Wear Mary Lou Andre 2004-03-02 Most women feel like they can barely find their shoes in the morning—let alone pull together a stylish, snappy ensemble for the day. Mary Lou Andre is here to help. An expert in wardrobe management and fashion consulting, she shows her clients how to find their own style—and make the most of what's already in their closets. And in this illustrated guide, she explains her effective wardrobe organization system and simple style strategies to help every woman get out the door faster-looking better than ever.

The Journey Prize Stories 26 Various 2014-10-07 For more than twenty-five years, *The Journey Prize Stories* has been Canada's most celebrated annual fiction anthology and a who's who of up-and-coming writers. With settings ranging from Toronto's Royal Conservatory of Music to a hospital ward in Thailand, from British Columbia's Burrard Inlet to St. John's Bowring Park, the stories in this collection represent the year's best short fiction by some of our most exciting new writers. Among the stories this year: A woman's quest to trend on social media blinds her to her inability to connect with her own adult daughter. The delicate equilibrium maintained by a newly pregnant expat living in Israel is shattered when a missile lands in her backyard. An unusual guide to caring for an exotic pet highlights the many opportunities owners will have to learn valuable life lessons—beginning with the pet's death. The tender relationship between two musical prodigies is no match for the machinations of the adult world. After a woman returns to her parents' house to recuperate from a life-changing surgery, she discovers how difficult it is for others to accept who she has become. A terrible act of cruelty forces the tensions between two workers at a fish processing plant to spill out into the surrounding waters. When a former couple has a chance encounter on a B.C. ferry, old grievances and desires alike resurface with surprising results.

WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 1997 Causey Enterprises, LLC

Impossibly Glamorous Charles St. Anthony 2017-03-15 Charles St. Anthony heard plenty of 'Wizard of Oz' jokes growing up in Kansas. After finding himself on some seedy dance floors in Kansas City, his quest for love and glamor—and his penchant for all things Japanese—carried Charles from Dorothy's homeland to New York to Tokyo. *Impossibly Glamorous* follows his exploits with Goth raver lesbians, hot men, and not-so-hot men, culminating in a long-term love affair with Japan. His journey from ugly baby to Asian media personality touches on tough issues such as coming out gay in Kansas, domestic violence, substance abuse, and how to bounce back from any kind of adversity with only a faux fur coat and a cavalier skip.

American in Translation Concha Alborg 2011-04-08 *American in Translation: A Novel in Three Novellas* is a woman's journey from the Vietnam era to the present. Each novella represents a pivotal time in the life of Inmaculada, a young Spanish woman who has recently immigrated to the United States. *American in Translation* is Concha Alborg's first novel written in English. In preparation for this book, the author taped conversations with her father, who fought on the liberal side during the Spanish Civil War; collected magazine and newspaper articles from the Vietnam era; and gathered many personal letters, journals, and travel notes of the thirteen months when her own husband, a Marine Corps captain, was in Vietnam. *American in Translation* is written with the author's characteristic irony and self-deprecating humor that contrast with the seriousness of its themes. *Marine Corps Wife* is told from Inma's point of view during the year when her husband is fighting in Vietnam while she is in a small Midwestern college town with their newborn daughter. The tension between Inma's own pacifism, the ensuing war protests at home, and her family responsibilities become a balancing act for the young wife. Much has been written about the Vietnam conflict from the point of view of the soldiers, but little from the female perspective of the wife who, like Inma, is left behind, trying to keep her family together. War figures as a motif in this novella because the grandfathers also fought in WWII and the Spanish Civil War respectively. *Spanish Daughter*, told in a different voice, begins with the death of Inma's mother, which reveals tensions and betrayals within her own family. Inma's inner struggle is accentuated when she discovers her father's affair with a favorite aunt, and she reads his letters, included in this novella. In contrast with the more liberated 1970s of American culture, Spain was suffering from growing pains after decades of a repressive government.

Ironically, the personal and the political become one since Franco is dying at the same time, and in the same hospital, as Inma's mother. Inma's true liberation comes in the third novella, *American Woman*, told through her journals while traveling in Europe and the States and in direct conversations with her therapist, who is helping Inma find the strength to divorce her husband. Finally, Inma emerges as a fully realized woman: at the personal level through a sexual and emotional awakening and at the professional level through her work and her writing. The Translation of the title becomes emblematic of her transformation and the complexities of American life. *Decisions and Orders of the National Labor Relations Board* United States. National Labor Relations Board 1964 *Tame Your Heart (A Small Town Enemies to Lovers Romance)* Tracey Alvarez 2019-03-15 Loving your enemy is harder than you'd think... Tui Ngata loathes the Griffin family after a wildfire tore through her family farm seventeen years ago and her father was accused of starting it. While on vacation in a tropical paradise she's able to forget the bone-deep feud with her neighbors and find one night of pleasure in the arms of a handsome stranger. Until she finds out this stranger isn't who she thought he was... After his uncle died in the tragic

fire that destroyed hundreds of acres of his family farm, Architect Kyle Griffin has made a life for himself far away from Bounty Bay. But he's drawn back, forced into sorting out the mess and drama his Grandfather's death has left behind. The distraction is hopefully one way to forget the beautiful woman who's haunted his every waking moment since the end of his vacation. Except he can't forget her, especially when he discovers the lasting consequences which will forever unwillingly bind them together. But someone doesn't want Kyle and Tui falling in love. And that someone is willing to raze their lives to ashes to prevent them fraternizing with the enemy. TAME YOUR HEART is the sixth story in Tracey Alvarez's Bounty Bay series, set against the stunning backdrop of Aotearoa, New Zealand. If you like heart-warming, sexy & seductive small-town romances, you'll love sharing the journey with these authentic men and women struggling to find their special someone. Welcome to Bounty Bay, where the reward of true love is a price only some are willing to pay. Download your copy of Tame Your Heart today and uncover the secret lives and hidden passions simmering in New Zealand's sultry, subtropical Far North. How to Plan Your Own Wedding and Save Thousands Tracy Leigh 2008-01 Congratulations! You are getting married and want a beautiful, memorable event, yet you need to stick to a tight budget. Don't despair! There are hundreds of proven ways to have your dream wedding without breaking your budget. The average cost of a wedding in the United States is approaching \$30,000, a 73 percent increase since 1992, according to a recent study. What's astonishing is how quickly all the other smaller expenses those you don't immediately think of add up. The stationery, invitations, announcements, thank-you notes, postage, make up, hair stylist, limousines, menus, and so on, not including the cost for an engagement party, rehearsal dinner, gifts, honeymoon, engagement ring, and bridal consultant or wedding planner. Just imagine what you could do if you could save \$30,000 as you start out your new life together. Whether your budget is \$1,000 or \$50,000, in this easy to read and comprehensive book you will learn hundreds of simple ways to cut down on your wedding expenses without serving a roomful of guests hamburgers and hot dogs at your reception. Reducing your wedding costs doesn't have to mean plastic forks and pitching a tent on your aunt's front lawn. This new book will teach you hundreds of insider secrets to nip the overcharges out of your wedding budget. The author tackles invitations, facility, catering, gifts, bar-liquor, tables and chairs, decorations, napkins, centerpieces, flowers, limousine, dishes and glasses, music, candles, photography, videographer, ring pillow, linens, guest favors, tents, dance floor, cake, matches, place cards, thank you notes, and dozens more. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida.
