Glenn Pray: The Man Who Brought Legends to Life John B. Malks 2015-02-02 This book is the unique and factual biography of the life and times of automotive legend Glenn Pray. The book is for those who are interested in small scale automobile manufacturing, fans of Auburn, Cord and Duesenberg cars, or for those who would just like to read a fascinating true life yarn. As with Preston Tucker and Malcolm Bricklin, Glenn Pray was able to introduce a technically and visually innovative automobile to the world stage. Additionally this book describes his acquisition of the Auburn-Cord-Duesenberg Company and his later adventures at manufacturing Auburn replicars. Also recommended is another Josh B. Malks book, 'Cord 810/812 The Timeless Classic'. Many great pictures throughout adds life to the words of this book. "A well-written biography of a man who was obsessed, determined, gutsy, creative and sometimes desperate, but who never let the words 'no'. 'can't' or, 'impossible' interfere with his quest. very interesting reading." George Smith Past president, Auburn-Cord-Duesenberg Club
