The Corpse in the Gazebo Debra Sennfelder 2021-09-28 Food blogging is turning Hope Early into a household name. But the dead body down the block makes her a #1 suspect . . . It seems everyone loves Hope’s blog these days, and she’s busier than ever volunteering to help other women create their own paths to success. So she’s shocked when a neighbor petitions to run Hope right out of her small Connecticut town! Set in her ways, apparently Birdie Donovan doesn’t like the chaos Hope’s sleuthing creates, the police activity and crime scenes, and it’s happening way too often lately. Eager to make amends, Hope bakes Birdie a batch of her best muffins. The delicious treats might have smoothed things over—until Hope discovers Birdie dead in her gazebo the very next day . . . Now instead of worrying about holding on to her beloved home, Hope is trying to stay out of jail. Because suddenly she’s the lead suspect in the case. Not even her boyfriend, Police Chief Ethan Cahill, is promising he can clear her name, much less discuss the investigation with her. It’s up to Hope to get to bake new ground on the case before the lifestyle brand she’s created—and her whole life—crumbles . . . Includes Recipes from Hope’s Kitchen! Praise for THE UNINVITED CORPSE “Fans of Krista Davis’s Domestic Diva mysteries will appreciate another detective who specializes in cooking and lifestyle suggestions.” —Library Journal

Divorce Sucks Mary Jo Eustace 2009-09-18 Hock the platinum. Take down the vacation photos. Cancel the joint checking account. There's no question . . . Divorce Sucks. And perhaps no one knows that better than author Mary Jo Eustace, whose ex-husband Dean McDermott married Tori Spelling a mere thirty days after their divorce was finalized. One part tell-all and one part guide to get readers on their feet after a bitter breakup, this hilarious addition to the bestselling Sucks series tells everything readers don’t want to know about divorce - from what a phone call with a lawyer will cost; to how to handle your newer, younger replacement; to what Hollywood divorcees are actually thinking when they watch their ex walk the red carpet with a millionaire. Sometimes horrifying, sometimes gratifying, and never merciful, this book will give readers an inside look at one of today’s most public divorces while reminding them - hey, it could always be worse.

Strange Country Mark Dapin 2008-11-01 "This book is about the people I met as I crisscrossed Australia by train and plane and L-plated car: the undefeated dreamers and wild-hearted romantics, the obsessed hobbyists and beautiful failures. It is about heroes and legends, illusions, delusions and hope, and one or two men with shit for brains who ought to be locked up." As anyone who's ever read Mark Dapin's column and features in Good Weekend knows, he's an immensely funny, acute and vivid observer of Australian life. In Strange Country, he takes us on a journey through a very different Australia - a country that's eccentric, puzzling, big-hearted, small-minded, nostalgic and sometimes just plain mad. From the last travelling boxing tent to feral urban sewer rats to Vietnam Veteran bikies and the annual Parkes Elvis Festival, his writing illuminates the stranger side of Australian life in a travel book like no other.

The Roving Party Rohan Wilson 2014-02-25 "[An] exceedingly powerful debut. Wilson's compelling story carries us through forest and over plains, leaving a trail of dead men." —Alan Cheuse, The Chicago Tribune 1829, Tasmania. A group of men—convicts, a farmer, two free black traders, and Black Bill, an aboriginal man brought up from childhood as a white man—are led by Jon Batman, a notorious historical figure, on a “roving party.” Their purpose is massacre. With promises of freedom, land grants and money, each is willing to risk his life for the prize. Passing over many miles of tortured country, the roving party searches for Aborigines, taking few prisoners and killing freely, Batman never abandoning the visceral intensity of his hunt. And all the while, Black Bill pursues his personal quarry, the much-feared warrior, Manalargena. A surprisingly beautiful evocation of horror and brutality, The Roving Party is a meditation on the intricacies of human nature at its most raw. From the Hardcover edition.

Five Simple Rules Ellen T. Reed 2021-05-19 If you're a man looking to attract a nice, Christian woman for a lifelong relationship--or if you're a woman struggling to find an authentic partner--you need Five Simple Rules. Ellen T. Reed, a certified transformational life coach, reflects on personal experiences and shares observations to help men and women attract the right partner. Her lessons reveal how to make your relationship endure through even the most difficult conversations. Get answers to questions such as: * How do you really romance a woman? * When is the right time to introduce intimacy into a relationship? * How can you focus on someone's depth of personality instead of looks? * How should you view online dating sites? The author also focuses on bolstering communication skills, how to determine if you're compatible, and how to decide if you're ready to date in the first place. At the end of the book, you'll know how to find the right partner and keep your relationship blooming from the first date through years of marriage.

Federal Solutions For Fragile States In The Middle East: Right-sizing Internal Borders Liam Anderson 2021-06-04 In most regions of the world, federalism (territorial autonomy) is used as a successful institutional means of dispersing political power and accommodating ethnic, religious, and cultural diversity. The

Middle East is an exception. Aside from the anomalous case of the U.A.E and Iraq's troubled experiment with federalism, Middle Eastern regimes have largely resisted efforts to decentralize political power. As a result, the norm in the region has been highly centralized, unitary systems that have, more often than not, paved the way for authoritarian rule or played witness to serious internal fragmentation and conflict divided along ethnic or religious lines. *Federal Solutions for Fragile States in the Middle East* makes an argument for the implementation of federalism in the post-conflict states of the Middle East. The argument operates on two levels: the theoretical and the practical. The theoretical case for federalism is backed by empirical evidence, but to accurately evaluate the practical and logistical feasibility of its implementation in any given case requires detailed knowledge of 'real world' political realities. The book's focus is on four post-conflict states — Iraq, Syria, Yemen, and Libya — though the arguments advanced within have broad regional applicability.
