Decision Making Theories and Practices from Analysis to Strategy Tavana, Madjid 2012-05-31 The vast amount of information that must be considered to solve inherently ill-structured and complex strategic problems creates a need for tools and techniques to help decision-makers recognize the complexity of this process and develop a rational model for strategy evaluation. Decision Making Theories and Practices from Analysis to Strategy is a definitive focus on analytical strategic decision-making. This work is comprised of sophisticated tools and methodologies developed by researchers and vendors to improve decision making for business strategy. Extracting from a wide range of disciplines, including accounting, finance, information systems, international management, marketing, organizational management, operations research, production and operations management, and strategic management, this volume provides a conceptual and a utilitarian guide to decision making, perfect for both researchers and practicing professionals alike.

The Bullet in the Pawpaw Kim Hope 2020-02-28 Kim, a naïve, poorly educated English girl, is enjoying the delights of London in the 'Swinging Sixties' when a chance encounter takes her on a journey to South Africa. Travelling as an actor with a touring Shakespeare company, Kim is irrevocably drawn to the 'beloved country', but her abhorrence of the oppressive system of apartheid forces her to return home. This experience changes the direction of her life, and now, having achieved a longed-for education, she is on a mission: to stop the spread of HIV. She creates the Themba HIV&AIDS Organisation in Johannesburg and recruits and trains young people from the townships to deliver a unique programme of interactive theatre workshops.

Business on Trial Valerie P. Hans 2000-01-01 Annotation Are jury verdicts in business trials influenced less by a corporation's negligence than by sympathy for the plaintiffs, prejudice against business, and a belief in the corporation's "deep pockets"? Many members of the public and corporate executives believe that this is so, and they feel that the jury's decision making presents serious problems for American business competitiveness and its justice system. This book -- the first to provide a systematic account of how juries make decisions in typical business cases -- shows that these assumptions are false or exaggerated. Drawing on interviews with civil jurors, experiments with mock jurors, and public opinion polling, Valerie P. Hans explores how jurors determine whether businesses should be held responsible for an injury. She finds that many civil jurors, rather than being overly sympathetic to plaintiffs who bring civil lawsuits, are actually hostile to them, that there are only occasional instances of anti-business prejudice, and that there is no evidence of the deep-pockets hypothesis. Hans concludes that jurors do treat businesses differently than individuals, but this is because the public has higher expectations of corporations and more rigorous standards for their conduct.

Our Ghosts Were Once People Bongani Kona 2021-08-19 'I would get out of the car at every shopping centre and want to ask the stranger walking by with their trolley: "Why are you still shopping? Someone I love has died."' - Dela Gwala Death is a fact of life, but the experience of grief is unique to each of us. This timely collection brings together a range of voices to offer refl

ections on death and dying, from individual losses to large scale catastrophes. Karin Schimke revisits her troubled relationship with her late father, a Second World War survivor 'whose brain had been broken by violence'. Madeleine Fullard, the head of South Africa's Missing Persons Task Team, draws us into the search for activists who were 'disappeared' or went missing in political circumstances between 1960 and 1994. Caine Prize winner Lidudumalingani remembers his childhood in a small village in the Eastern Cape, and how his mother always listened to death notices read over the radio as a way of bearing witness to the grief of strangers. The other contributors in this poignant and thought-provoking anthology turn their minds to subjects as varied as the ritual of washing the body of the deceased before burial, the ethics of killing small animals, and the extinction of humankind. In a time of relentless grief, Our Ghosts Were Once People reminds us that one of the small consolations of literature is that all sorrows can be borne. Quitters Never Win David Zackey 2017-09-25 Dave became a star witness in an FBI probe of a con man after having a business affiliation with the man. The business association cost him his life savings and retirement income plans. Resorting to becoming a home improvement contractor (after a career in the corporate world), he was working away from home, a week at a time, and staying in an empty house in an unfamiliar neighborhood. One day, after repeated phone calls from collection agencies and lawyers, he gripped the stepladder he was using and thought, Why am I trying so hard? I'll never make this up. I'm washed up financially. I might as well just quit. At that moment, the Holy Spirit reminded him of a sign that was posted at the top of the steps exiting his high school's wrestling room: "Winners never quit, and quitters never win." Dave's story is also interconnected with two others that have been recorded. One is the movie, Donnie Brasco. A movie based on the true story of an FBI sting of the Mob in New York City. This sting led to the incarceration of Dave's business partner, Joe, for money laundering. And the second, a book titled Trafficking: The Boom and Bust of the Air America Cocaine Ring by Berkeley Rice. The story of the man who has the acclaim of being the person who has brought the largest amount of cocaine into the United States by one person. Joe and his picture are actually in this book.

Finding Courage Dory Daniel 2022-02-03 Finding Courage: A Single Mother's Story of Heartbreak, Redemption, and Dating is a book about love, loss, and the power of self-actualization. Through her relationships that have been one train wreck after another, the author describes how each of her major relationships has taught her lessons about herself and the world she created. This book takes you on a journey with the author through her past relationships, the lessons that they taught her, and how she was able to rebuild herself all while raising two children on her own. Finding Courage: A Single Mother's Story of Heartbreak, Redemption, and Dating will rebuild your faith in love, yourself, and life's many lessons.

101 Projects for Your Porsche 911, 996 and 997 1998-2008 Wayne Dempsey . 2014-02-15 Since its introduction in 1998, the water-cooled Porsche 911 has earned a reputation as one of the world's greatest sports cars - equal to, if not better than, the legendary air-cooled 911 it replaced. The 911 is a true driver's car, and it offers its greatest driving rewards when properly maintained, tuned, and modified. One of the principal drawbacks to owning a Porsche is the relatively high cost of maintaining it. You can literally save thousands of dollars in mechanic's costs simply by performing some of the work yourself. With 101 Projects for Your Porsche 911 996 and 997 1998-2008, written by renowned Porsche author Wayne Dempsey, you'll be able to get into the garage and work on your 911 with confidence. Created with the weekend mechanic in mind, this highly illustrated Motorbooks Workshop title offers 101 step-by-step projects designed to help you maintain, modify, and improve your late-model 911. Focusing on the water-cooled 996 and 997 models, this book presents all the necessary knowledge, associated costs, and pitfalls to avoid when performing an expansive array of projects. And besides the savings, when you personally complete a job on your Porsche, you get the added satisfaction of having done it yourself.

When Changing a Lightbulb Just Isn't Enough Emily Anderson 2009 These "Popular Mechanics"-approved strategies for going green offer double the value, conserving both money and natural resources at the same time.

High-Performance Jeep Wrangler TJ Builder's Guide Christian Lee 2007 From Willys and Overland Jeeps of World War II, to the CJ models of '70s and early '80s, to the slightly more civilized Wrangler, the Jeep has become an American icon. Jeep has maintained its popularity by updating and modernizing the traditional two-door, removable-top Jeep without watering down its off-road capability. Jeep owners love to personalize their vehicles and modify them for better performance on and off road. In High-Performance Jeep Wrangler TJ Builder's Guide, author Christian Lee explains how to upgrade your Wrangler's suspension, axles, differentials, engine, transfer case, wheels and tires, skid plates, and more, using aftermarket and salvage-yard upgrades. This book includes over 300 full-color images and drawings to show beginners and experienced Jeepers how to do things right. Lee even has special sections for basic driving and recovery technique, and a few built-up Jeeps to give you ideas for your own Wrangler.

Morphologie G. E. Booij 2004 Morphologie ist die Lehre von den sprachlichen Formen, genauer: von den Flexionsformen und Stämmen von Wörtern. Somit ist sie der Teil der Grammatik, dessen Regeln auf Einheiten von höchstens Wortumfang Bezug nehmen, sowie gleichzeitig auch ein Teil des Lexikons, nämlich insoweit komplexe Stämme nicht regelhaft gebildet sind. Das Handbuch informiert sowohl über Grundbegriffe und theoretische Ansätze der Disziplin als auch über morphologische Strukturen verschiedener Sprachen. Es hat zum Ziel, den heutigen Wissensstand der Morphologie auf allgemeinem Niveau umfassend darzustellen und an hinreichend vielen Beispielen zu illustrieren. Die gründliche Erläuterung etablierter Begriffe und gesicherter Erkenntnisse, gegebenenfalls ergänzt um die unvoreingenommene Darstellung alternativer Problemlösungen, hat dabei Vorrang vor der Vorführung zeitgenössischer Strömungen und neuartiger Ansätze.

Survivor Vaughn Ripley 2010-11-15 On January 3, 1987, teenager Vaughn Ripley receives what seems to be a death sentence. A lifelong hemophiliac, he has been infused with tainted blood and

is found to be HIV+. In this memoir, Ripley not only recounts his life living with severe physical ailments, but also details his fight to live. "Survivor" follows him as he receives his fateful news and examines how this single piece of information pushes the innocent boy headlong into a hard life of drugs and alcohol. After several years and many near-death incidents, he finally overcomes the drug addiction and tries to create some semblance of life out of the resulting carnage. He describes how he turned his life around to become a professional database administrator, how hemophilia contributed to his tendency toward being an adrenaline junkie, and how medical advances allowed Ripley and his wife to become parents. His story is one of courage and tenacity, as he demonstrates the will to face the world head-on and overcome the physical ailments in order to lead an active, productive, and positive life.

4x4 Suspension Handbook Trenton McGee 2008-02-01 Author Trenton McGee, 4x4 suspension expert and host of Outdoor Channels Off-Road Adventures, explains 4x4 suspension systems in an easy-to-understand manner. He gets specific on types of suspensions available from all the major manufacturers including Jeep, Toyota, Ford, Chevy, and Dodge. He goes into a great level of detail on every different model, including early and modern model systems.

Carsmart Ron Coleman 1998-06 It is like having a friend in the auto repair industry. Explains all major repairs such as brakes, shocks, struts, air conditioning and more. Alerts the reader on things to look for and what to expect to pay for car repairs.
