*Working Mother* 2006-11 The magazine that helps career moms balance their personal and professional lives.

*Stay Sexy & Don't Get Murdered* Karen Kilgariff 2019-05-28 The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast My Favorite Murder! Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, *Stay Sexy & Don't Get Murdered* distills the My Favorite Murder podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way." —Entertainment Weekly "Like the podcast, the book offers funny,

feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends." —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Green Mama Tracey Bianchi 2010-03-09 Moms today are busier than ever. Taking care of the planet sounds like a great idea—but in the midst of taking care of your kids, it becomes just one more thing to feel guilty about not doing. Tracey Bianchi knows what it's like to live in the middle of suburbia with a to-do list too long to write down. In this *Green Mama* Ebook, she brings green living within reach for every overtired, overstressed, and overwhelmed mom. Her practical suggestions help moms like you make environmentally wise choices at the grocery store, schoolyard, and kitchen table, while keeping an eye on the kids and the budget. With creative tips, tricks, and resources, she shares her stories of successes and failures in saving the planet and inspiring her kids to love God's world. Moms need a resource like *Green Mama* to remind them that green living is not another chore but an invitation to a creative partnership with God. As Bianchi enthusiastically tells you, green living is more than a trend—it is God's beautiful plan for the planet and for your life. This book and its contents are not authorized, endorsed, sponsored or approved by The *Green Mama*, LLC  
*Emily Post's Etiquette, 19th Edition* Lizzie

Post 2017-04-18 Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's Etiquette is the most trusted resource for navigating life's every situation From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of Etiquette. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. Emily Post's Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's Etiquette also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome

Etiquette and trains those interested in teaching Emily Post Etiquette.

Sex for Sale Katie N. Johnson 2015-05-15 In early twentieth-century U.S. culture, sex sold. While known mainly for its social reforms, the Progressive Era was also obsessed with prostitution, sexuality, and the staging of women's changing roles in the modern era. By the 1910s, plays about prostitution (or "brothel dramas") had inundated Broadway, where they sometimes became long-running hits and other times sparked fiery obscenity debates. In Sex for Sale, Katie N. Johnson recovers six of these plays, presenting them with astute cultural analysis, photographs, and production histories. The result is a new history of U.S. theatre that reveals the brothel drama's crucial role in shaping attitudes toward sexuality, birth control, immigration, urbanization, and women's work. The volume includes the work of major figures including Eugene O'Neill, John Reed, Rachel Crothers, and Elizabeth Robins. Now largely forgotten and some previously unpublished, these plays were among the most celebrated and debated productions of their day. Together, their portrayals of commercialized vice, drug addiction, poverty, white slavery, and interracial desire reveal the Progressive Era's fascination with the underworld and the theatre's power to regulate sexuality. Additional plays, commentary, and teaching materials are available at [brotheldrama.lib.miamioh.edu](http://brotheldrama.lib.miamioh.edu). Plays included: Ourselves (1913) by Rachel Crothers The Web (1913) by Eugene O'Neill My Little Sister (1913) by Elizabeth Robins Moondown (1915) by John Reed Cocaine (1916) by Pendleton King A Shanghai Cinderella (renamed East is West, 1918) by Samuel Shipman and John B. Hymer

## **Les Mbengis - Migration, Gender, and Family**

Christina Atekmangoh 2017-07-19

This book is about transnational migration (familiarily called “bushfalling”) and remittance flows to Cameroon. With the current dire economic state, Cameroonians increasingly aspire to go abroad to make a living. Migrants achieve this through a collective (family) strategy and with the help of migration brokers. Relations between migrants and the family that stays in Cameroon can be characterized as follows: Families raise and educate their children to become adults. In return to giving their children the “gift of life”, families expect reciprocity, best secured through economic success abroad and the sending of remittances by migrants. As families in Cameroon heavily contribute to the funding of migration trajectories, often by selling properties such as land or houses or borrowing money, they also expect a return on their investments. All that constitutes this study explores under the notion of the moral economy of transnational remittances. In this study, remittances are understood to be a composite of financial, material, and cultural flows—maintaining and transforming social and kinship ties. The book proposes also a large exploration of themes in relation to transnational migration: why and how Cameroonians migrate (the role of the operational family in terms of decision and funding; the role of migration brokers through the identification of “lines” and the provision of the necessary papers); the moral justification for migration; the ways social relations and customs are changed by status gained through migration; the ways people explain the failure of migration projects, the difficulties to stay abroad; the matrimonial strategies to go and stay abroad. This is an empirically rich and theoretically sophisticated study that takes thinking on transnational migration informed by African strategies and experiences a step further.

How to Easily Create and Sell Custom Wallet Phone Cases Brian Graves 2020-06-06

WALLET PHONE CASES ARE HOT!The monthly searches for the keyword "wallet

phone case" has 30 000 searches/month on Etsy, even more than the keywords "wallet men" or "wallet women".Why are wallet cases selling that much?- Everyone has a phone and needs a case, right?- It's far more useful and convenient than the usual phone cases.- You can store your cash and credit cards easily.People are looking for those wallet cases and you are going to help them by creating your own print on demand business selling YOUR custom designed wallet phone cases. I will also suggest a print on demand app that I am currently using to have my custom wallet cases printed and delivered to my customers much faster than any other print on demand app.You do not need to stock the cases. You can order just 1 unit, once you have made that sale. You can sell those cases everywhere: on your own Shopify store, on Etsy, on eBay, on Amazon etc.Just implement what you'll learn from this book and be sure that you will be able to sell custom wallet phone cases like hotcakes, in every niche.You will learn: How to create a custom wallet phone case in 5 minutes.The best places to sell your custom wallet phone cases.The best place to outsource case designs if you don't want to create them yourself.The best places to find unlimited ideas for your wallet cases.20+ sites where you can find free images, even for commercial use.And much moreOnce you have been through the course you will have all the knowledge and tools to start this business, I cover absolutely everything you need to know to get started.Get in, Get started today.

The Power of the Purse Fara Warner 2006

Women now drive some 80% of all buying decisions. By 2010, they'll account for half of America's private wealth: \$13 trillion dollars. A few remarkable companies have learned how to refocus on women -- and, in so doing, have achieved truly stunning results. In *The Power of the Purse*, top journalist Fara Warner takes you behind the scenes at those companies, revealing how they did it -- and how you can, too. Unlike previous books on marketing to women, this one doesn't settle for generalities: it offers

in-depth, start-to-finish case studies. Discover how McDonald's turned around its business by recognizing women as full-fledged consumers, not just 'Moms.' Learn how Kodak's digital camera business soared from fourth to first by recognizing women's importance as family 'memory makers'. See how P G built Swiffer into a cultural revolution, and how the diamond industry did the same for right-hand rings. Watch Bratz topple Barbie, Torrid create its enormously successful plus-size stores for teenagers, and Avon connect with a radically new generation of women. From Nike to Home Depot, each story is unique -- but in every case, these companies put women at the center of their strategies, and listened intently to what real women consumers were telling them. It's not about 'painting your products pink': it's about transforming the way you think about women. Do that, and you'll create products that sell better to everyone.

Jungalow: Decorate Wild Justina Blakeney 2021-04-06 From Justina Blakeney, the ultimate guide to designing wildly creative interiors that are free-spirited, layered, and deeply personal Justina Blakeney's new book is her biggest, boldest, and most beautiful volume yet, filled with irresistible style, original patterns, and artwork—lushly photographed by Dabito. In each chapter, Justina shares her distinctive point of view on everything design fans want to know—how to make bold choices with color and pattern, how to take cues from nature, how to authentically glean inspiration from their heritage and travels, how to break rules, and all the other paths to truly begin to decorate wild. Along the way, Justina also shares personal narratives, practical advice, and nuanced insight into how she lives in her own space—how she reconnects with nature, how she plays and stays inspired, how she gives herself permission to feel free and wild, and how readers can do the same. Jungalow is the term coined by Justina for the brand that embodies her wild, but cozy and homey, style. Copycats abound, but there is no other book like this one—offering Justina's authentic, encouraging voice and

approachable, signature style.

Strategic Marketing Planning for the Small to Medium Sized Business David Anderson 2012-02-14 Eighty percent of small to medium sized new businesses fail within 2 years of their inception. Ninety percent of businesses close after 10 years of operation. While many factors contribute to failure, the lack of an organized, measurable, strategic marketing plan often is the underlying cause. Creating a strategic marketing plan for your business may appear to be a daunting task. Indeed, many business owners do not create a strategic marketing plan or the plan they create is flawed due to the lack of an actionable planning process. "Strategic Marketing Planning for the Small to Medium Sized Business" addresses these issues by providing both narrative marketing theory as well as workbook exercises. This book offers the small to medium sized business owner or marketing staff a hands-on experience that will culminate in the development of a true marketing plan, specifically tailored to an individual business. From developing or refining the company's mission, goals and strategies to implementing tactics and creating budgets, this book provides the information and framework needed to develop a sound marketing plan that will help your business grow.

The Works of Edgar Allan Poe Edgar Allan Poe 1914

**Pattern** Orla Kiely 2017-04-06 The world of Orla Kiely is one where pattern reigns. Immediately recognisable, her unique design language and sure sense of graphic control has seen her label become a hugely successful global brand in the decade since its launch. From her early signature bags, the collection has grown to include a complete womenswear line, accessories, travel and homeware, sold in shops and outlets worldwide. Giving a personal account of what informs her work and inspires her designs, Orla looks at pattern in all its manifestations - the impact of scale and proportion, rhythm and texture and the all-important dimension of colour. With her

prints applied to a wide range of products, from bags and clothing to decorative objects and soft furnishings, she is in a unique position to comment on all the ways in which pattern can enrich our lives.

Illustrated with many examples of Orla's work, along with inspirational images that have shaped her style, the result is both a visual treasury and a thoughtful guide to using pattern with flair and confidence.

Original.

*Hood Feminism* Mikki Kendall 2020-02-25 A NEW YORK TIMES BESTSELLER "One of the most important books of the current moment."—Time "A rousing call to action... It should be required reading for everyone."—Gabrielle Union, author of *We're Going to Need More Wine* "A brutally candid and unobstructed portrait of mainstream white feminism." —Ibram X. Kendi, author of *How to Be an Antiracist* A potent and electrifying critique of today's feminist movement announcing a fresh new voice in black feminism Today's feminist movement has a glaring blind spot, and paradoxically, it is women. Mainstream feminists rarely talk about meeting basic needs as a feminist issue, argues Mikki Kendall, but food insecurity, access to quality education, safe neighborhoods, a living wage, and medical care are all feminist issues. All too often, however, the focus is not on basic survival for the many, but on increasing privilege for the few. That feminists refuse to prioritize these issues has only exacerbated the age-old problem of both internecine discord and women who rebuff at carrying the title. Moreover, prominent white feminists broadly suffer from their own myopia with regard to how things like race, class, sexual orientation, and ability intersect with gender. How can we stand in solidarity as a movement, Kendall asks, when there is the distinct

likelihood that some women are oppressing others? In her searing collection of essays, Mikki Kendall takes aim at the legitimacy of the modern feminist movement, arguing that it has chronically failed to address the needs of all but a few women. Drawing on her own experiences with hunger, violence, and hypersexualization, along with incisive commentary on politics, pop culture, the stigma of mental health, and more, *Hood Feminism* delivers an irrefutable indictment of a movement in flux. An unforgettable debut, Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and in deed.

**The Game** Neil Strauss 2012-05-01 Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

[Selling Women Short](#) Liza Featherstone 2009-04-20 On television, Wal-Mart employees are smiling women delighted with their jobs. But reality is another story. In 2000, Betty Dukes, a fifty-two-year-old black woman in Pittsburg, California,

became the lead plaintiff in *Dukes v. Wal-Mart Stores*, a class action, representing 1.6 million women. In her explosive investigation of this historic lawsuit, journalist Liza Featherstone reveals how Wal-Mart, a self-styled "family-oriented," Christian company: Deprives women (but not men) of the training they need to advance. Relegates women to lower-paying jobs like selling baby clothes, reserving the more lucrative positions for men. Inflicts punitive demotions on employees who object to discrimination. Exploits Asian women in its sweatshops in Saipan, a U.S. commonwealth. Featherstone goes on to reveal the creative solutions that Wal-Mart workers around the country have found, like fighting for unions, living-wage ordinances, and childcare options. *Selling Women Short* combines the personal stories of these employees with superb investigative journalism to show why women who work these low-wage jobs are getting a raw deal, and what they are doing about it. A new preface to the paperback edition will reflect on Wal-Mart's response to this lawsuit and its critics—including this one.

*Against Our Will* Susan Brownmiller 2013-09-24 Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable "spoil of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly,

accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the *New York Times Book Review* as an Outstanding Book of the Year and included among the *New York Public Library's Books of the Century*, *Against Our Will* remains an essential work of sociological and historical importance.

**Caul Baby** Morgan Jerkins 2021-04-06 Now in paperback, *New York Times* bestselling author Morgan Jerkins's fiction debut, an electrifying novel for fans of Ta-Nehisi Coates and Jacqueline Woodson, that brings to life one powerful and enigmatic family in a tale rife with secrets, betrayal, intrigue, and magic. Laila desperately wants to become a mother, but each of her previous pregnancies has ended in heartbreak. This time has to be different, so she turns to the Melancons, an old and powerful Harlem family known for their caul, a precious layer of skin that is the secret source of their healing power. When a deal for Laila to acquire a piece of caul falls through, she is heartbroken, but when the child is stillborn, she is overcome with grief and rage. What she doesn't know is that a baby will soon be delivered in her family—by her niece, Amara, an ambitious college student—and delivered to the Melancons to raise as one of their own. Hallow is special: she's born with a caul, and their matriarch, Maman, predicts the girl will restore the family's prosperity. Growing up, Hallow feels that something in her life is not right. Did Josephine, the woman she calls mother, really bring her into the world? Why does her cousin Helena get to go to school and roam the streets of New York freely while she's confined to the family's decrepit brownstone? As the Melancons' thirst to maintain their status grows, Amara, now a successful lawyer running for district attorney, looks for a way to avenge her longstanding grudge against the family.

When mother and daughter cross paths, *Hallow* will be forced to decide where she truly belongs. Engrossing, unique, and page-turning, *Caul Baby* illuminates the search for familial connection, the enduring power of tradition, and the dark corners of the human heart.

*The Robbery* Kasim Hocalar 2021-07-06

What if a blockbuster director who made films about bank robberies really tried to rob a bank to save his family? If you are ready for a realistic adventure where mystery, action and mind games come together, this book is for you. You will never be able to predict the next step while reading. It will take you into a breathless adventure with its story and fiction.

**Offal: Rejected and Reclaimed Food**

Mark McWilliams 2017-06-30 Contains the proceedings from the 2016 Oxford Symposium on Food & Cookery focusing on offal.

*The Barefoot Investor* Scott Pape

2019-06-12 \*\* Reviewed and updated for the 2020-2021 financial year\*\* This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' ... or a strict budget (that you won't follow). You'll get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how to create an entire financial plan that is so simple you can sketch it on the back of a serviette ... and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st birthday Why you don't need \$1 million to retire ... with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from

everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

*Deluxe Executive Envelope System* Dave Ramsey 2008-02-01 This simple way to manage your household income and expenses includes a stylish cover, places for your checkbook and check register, memo pad, debit card holders, extra cash-management envelopes and a PDF guide to the envelope system.

*The Yosemite Murders* Dennis McDougal 2008-12-10 Since he was seven, Cary Stayner had dreamed of capturing women . . . and killing them They were crimes that grabbed headlines around the world and stunned America. Four women dead, their bodies charred and horribly mutilated. Now Dennis McDougal, acclaimed author of the spellbinding true crime tour de force *Mother's Day*, brings his considerable investigative and narrative skills to the Yosemite murders to give you the most complete account of what really happened. Drawing on several personal conversations with the confessed killer and interviews with the victims' families, McDougal presents the definitive story, and answers many lingering questions. What demons drove this quiet handyman and nudist colony habitue to burn, mutilate, and murder four women he didn't even know? How did he overpower a woman and two teenaged girls? And most disturbing, did the glory-seeking FBI actually hinder the investigation, leaving the killer

free to kill once more before he was caught? THE YOSEMITE MURDERS offers valuable insight into these savage and senseless murders in the heart of America's most beautiful wilderness.

**Little Women Gift Pack - Lined Notebook and Novel** Louisa May Alcott 2021-02-23 This gift pack contains both the hardcover classic novel and a matching ruled hardcover notebook in a one quarter slipcase. Bringing one of the world's most beautiful editions of the classic novel, Little Women by Louisa May Alcott, and a lined writing journal with a matching cover, in one beautifully presented gift package. Little Women was, and remains, Alcott's best-known and most widely read work. It was her first novel and was so popular that her audience demanded sequels, a request that Alcott fulfilled, although most readers believe that Little Women is the most compelling of Alcott's novels about the March family. Little Women is a well-told story that features suspense, humour, and engaging characters, as well as lessons about the importance of honesty, hard work, true love, and family unity. Brilliant in its portrayal of nineteenth-century American family life, the novel depicts a secure, placid world in which the home serves as the centre for children's religious and moral education. The novel opens, with the four girls--the oldest, Meg (sixteen), tomboyish Jo (fifteen), sweet Beth (thirteen), and the youngest, Amy (twelve)--are sitting around the hearth contemplating a Christmas without presents, for their father is away serving as chaplain for a unit of men fighting in the Civil War, and the family has very limited funds. From this opening dialogue, a reader gets insights into the basic personality types of the various characters. Meg feels most strongly the family's limited resources. It is she who struggles hardest with envy of the wealthier girls in town. Jo is the most spirited of the lot, physically the most active and psychologically the most independent; she nevertheless is most comfortable when she is safely ensconced within the family circle of Marmee (the girls' nickname for their

mother) and the four girls. Beth is the sweetest and most generous of the girls, the one who complains least and tries hardest to ease the difficulties of the others. She is the character whom some readers think is really too good to be true. As might be expected, she dies an early death, as if she is too good for this world. The youngest, Amy, has rather grand visions of herself but these are tempered as she tests her artistic skills abroad and eventually marries the boy next door. In Alcott's novel, the family--as the most important of social units--gives its members strength to overcome life's obstacles and teaches them the value of selflessness. Mrs. March, in particular, exemplifies the courage and perseverance necessary to hold the family together through war and death. Although the novel ends happily, it in many ways marks a departure from simplistic, romantic nineteenth century fiction for young adults. Alcott's characters change in response to serious life-events; their positive but realistic attitudes inspire readers to identify their own strengths in the face of pain and adversity. Chiltern creates the most beautiful editions of the World's finest literature. Your favourite classic titles in a way you have never seen them before: the tactile layers, fine details and beautiful colors of these remarkable covers make these books feel extra special and look striking on any shelf.

**Bank On Yourself** Pamela Yellen 2010-03-23 The Wall Street Journal, USA Today, and BusinessWeek bestseller Bank On Yourself: The Life-Changing Secret to Growing and Protecting Your Financial Future reveals the secrets to taking back control of your financial future that Wall Street, banks, and credit card companies don't want you to know. **Reconfiguring Stigma in Studies of Sex for Sale** Jeanett Bjønness 2021-09-24

Reconfiguring Stigma in Studies of Sex for Sale is about the production and effects of stigma in sex work or prostitution with contributions from four continents and different disciplines that taken together explore how such stigma is conditioned by differences in time, place, citizenship,

gender, sexuality, class and race. Stigma is about relationships between people and also sets an interpretative frame whereby people understand and react to situations and actions, and the book is developed and organized to investigate this from various angles. It presents empirical studies that build on and expand the scholarship on stigma and sex work. This means that it contributes to a more complex understanding of stigma in sex work studies. Further, by using the example of sex work to explore how we can best understand the production and consequences of stigma, the book makes a contribution that is relevant for all scholars who work on stigma and stigmatization. The book is intended for academic audiences interested in sex work or prostitution, on the one hand, and stigmatization, on the other. It is also intended for students in a broad range of disciplines, as well as for practitioners and activists who encounter or work with stigmatization or stigmatized populations.

**The Nine Hundred** HEATHER DUNE. MOOREHEAD MACADAM (CAROLINE.) 2021-01-21

**Political Brands** Ciara Torres-Spelliscy 2019 From 'I Like Ike' to Trump's MAGA hats, branding and politics have gone hand in hand, selling ideas, ideals and candidates. Political Brands explores the legal framework for the use of commercial branding and advertising techniques in presidential political campaigns, as well as the impact of politics on commercial brands. This thought provoking book examines how

branding is used by citizens to change public policy, from Civil Rights activists in the 1960s to survivors of the 2018 Parkland massacre.  
One Plastic Bag Miranda Paul 2015 Tells the

story of a Gambian woman who came up with a way to recycle the plastic bags that had littered the landscape in her nation, an act that saved the environment and transformed her community.
